III. ADMINISTRATIVE BODY REPORTS

- Facilitator – Sean F:

Hello area, Howdy Doo. I was able to attend the subcommittees last month. The meetings were small and shorter than usual. But all the attendees were ready to support one another to help the still suffering addict. We are approaching the annual budget deadline in October. So, all subcommittee and admin will need to send in their proposal to the next area service meeting and we as an area will come to a consensus on the proposed budgets. I will be including the budget section within this report. I will send the budget section out again in a separate email later on this week as a reminder (mainly for myself, haha).

Conduct During Area Service Committee Meetings:

To ensure a productive and respectful environment during CTANA Area Service Committee (ASC) meetings, please observe the following principles outlined in Section Two of the CTANA Area Service Policy, mutual respect is the expected standard of conduct throughout the ASC meeting.

Essential Concepts for Meeting Conduct:

- Remarks must be focused on clarifying and understanding the proposal at hand.
- Do not repeat points that have already been discussed regarding the proposal.
- The Facilitator will close discussion on proposals when appropriate.
- It is not permitted to attack another member's motives.
- If you wish to speak, please raise your hand and wait for recognition from the Facilitator.
- Do not speak negatively about ideas that are not currently being considered.
- Refrain from arguing against your own ideas.

- If the Facilitator interrupts, you must yield to the floor immediately.
- Interruptions or disturbances to the body are not allowed.
- With consensus, the Facilitator may set a time limit for discussion on specific subjects.

Hi all!

Life has been life-ing for me! For the foreseeable future, I will be in Florida taking care of my grandmother to help with her end of life care. I will still be able to be at area via zoom, and will be in town at least monthly to take care of the deposits. I will be teaching my co-treasurer Joey the ropes via zoom over the next several months. But all seems doable!

Nothing crazy to report for this month. Our next literature sales tax payment will be in October and our next quarterly donation will be in November. So those are the only really big bills on the radar. I do want to note that our available balance has decreased significantly since the start of the year, which I do believe we were holding a lot more money than we needed to. I do want to note that for the past few months, our expenses have been quite large which is doable but not sustainable if we keep moving that direction. This month was pretty stable. One option might be incorporating some sort of 7th tradition at events, or some raffles/donations. I know that's a hard job but just wanting to put it on the radar as something to consider.

Another point, please do not use paypal to make literature payments. There is a fee associated with using this, meaning the amount paid will not be accurate to purchase what is needed. Non-fiction addition, I took money out of your donation payment in order to supplement the fee. It also was all in one payment so I was unable to accurately split it from the paypal so our reconciliation was off by 3 cents. Additionally the cash payments have been getting a little out of control and I just want to reiterate the cash allowance for literature orders is the cost of 2 basic texts which I believe is around \$30 something dollars. Please get a money order!

Did we write anything in policy about the ASL interpreter? I am just wondering as I believe it was announced this was stopped and then it started back up again. Is this something we want to reevaluate or just pay when needed? Just want to bring this to the discussion.

ILS,
Sydney P.

- **RCM 1 – Rusty F:**

The next Tejas Bluebonnet Region of NA (TBRNA) Regional Service Committee meeting (RSC) will be held 9am-5pm on August 8th 2026 hybrid, hosted by our area here in Austin at the Friends Meeting of Austin meetinghouse at 3701 E Martin Luther King Jr Blvd #3, Austin, TX 78721.

All are welcome and anyone can bring a proposal - here's the event link:

<https://tbrna.org/event/summer-2026-regional-service-conference>

I've been working with a group of volunteers from our area to plan food service. Thank you to all who are helping! I have plenty of help for the morning and lunch service but could use one or two more people to help with cleanup between 4-6:30pm.

Service opportunities:

Adopt an inmate facilitator - 2 yr. term, 2 yr. clean time requirement

Literature review - 2 yr. term, 3 yr. clean time requirement

Co-treasurer - 2 yr. term, 5 yr. clean time requirement

Please see the TBRNA policy for further details:

<https://tbrna.org/sites/default/files/documents/TBRNA%20Policy%20November%202025%20Final.pdf>

Updates from NA World Service Conference (WSC):

WSC will be held every 3 years from now on. Our region will select a new RD/RDA after each WSC to match up timing for better continuity in these service positions.

Other countries have growing fellowships while the U.S. fellowship is not really growing.

Investing in Public Relations work seems to be the thing that makes a difference in attracting new members. The Houston Area PR has its own Facebook page which is public facing and is run by their PR subcommittee.

From the RD/RDA team: (this will be discussed in old business today) All GSRs should be attending the annual regional assembly meeting. The regional assembly is held on a Saturday in March every year virtually on Zoom ~10am-2pm. The date is usually announced at the February RSC, which can be short notice for some folks. I can ask if our region can set a standing date for the regional assembly if that's preferable.

Money matters:

The region has a \$440.93 working balance including prudent reserve. We have a \$2000.00 upcoming expense for the insurance policy that covers all groups in the region. We will hopefully see results of the regional Treasury audit at the upcoming RSC this Saturday August 8th.

TBRCNA 2026 made enough money to replenish the seed money used to hold the conference, and the remaining profit was \$866.68. This money was donated back to TBRNA, and a proposal was passed to change how TBRCNA profits are handled. Previously, 50% of profits were immediately donated to NAWS. From now on, TBRNA will first ensure that seed money is available for the next year's TBRCNA regardless of whether the convention loses money. TBRNA will continue donating 20% of the working balance excluding prudent reserves to NAWS.

Action items:

Please announce TBRCNA 2027 committee meetings & convention! Details below under Upcoming events.

Question for GSRs to take back to the groups: do we want to continue holding our regional convention TBRCNA? Is it providing what we want it to provide to our fellowship? Is it worth the cost and effort required to hold it each year? Any changes would not take effect until after TBRCNA 2029 because venues are already reserved.

Upcoming events:

Note: anyone can directly upload events to the TBRNA page.

<https://tbrna.org/submit-event>

If your group is holding an event, please upload it there as well as on the CTANA website! If you have issues, I can add those events to the TBRNA website for you - just email me the details and flyers.

Starting June 20th - TBRCNA 2027 subcommittee planning meetings! They'll be hybrid format at 10am on the following Saturdays: June 20, August 15, September 19, October 17, November 21, December 19, January 16, January 30 and February 6.

Questions and/or comments:

Sean: A GSR can attend Region and ask questions about any proposal.

Tom: How do we know the region is spending their money such as traveling.

Rusty: Traveling to the World Services convention is the main thing Region is concerned with attending. Welcoming all GSR's to come into the Region meeting to express concerns. Working balance has gone up in Region which keeps them in red.

Luke: Question to take to Region, what has been done as far as an audit that has been done. Shouldn't they have more than \$1,000 in their working budget.

Rusty: Treasury Audit should have happened at the beginning of the year and has asked but no response. Will press it again at the next meeting. I have been wanting to see the annual budget.

Nancey: What is the prudent reserve? If Teburtna is canceling the location of the convention, who decides this?

Rusty: The prudent reserve \$1,500

Michael: When was the last Audit?

Rebecca: The last Audit has been 10 years.

Rusty: Will get as many audits as we can.

➤ **Subcommittee Reports**

- **Activities – Rebecca L:**

All receipts were attached to the emailed report. Our last hosted event was a karaoke and crafts night. We had a lot of people donate craft items. Our area is now proud owners of an embroidery machine, a bedazzle-er, a swing arm paper cutter, and one of those super sick spirograph sets. We had a lot of items donated that are much less permanent but still we are super appreciative of things like construction paper, markers, and various other crafty items. We still have a lot of these items left over for our next event as well.

We received \$91 dollars of donations for this event, and I have it in an envelope in cash.
Total Money Received - \$175

Spent:

Amazon (Syrups and drinks)- \$53.50

There is still a lot of syrup left that can carry over to at least two more events

HEB (Chips and dips)- \$60.96

Rock N Roll Rentals (Karaoke stuff)- \$68.20

Total: 182.66 (\$7.66 – over to be a “donation” from me.)

This event was a huge success as far as participation went. Everyone who went, went to PARTYYYYY we had one table making bracelets, several people brought their current works in process, and others found something to make using the items donated and we karaoke-d like we would never get to karaoke again. Reminding us that we can have fun clean, allowing us to fellow ship, and allowing us all to leave with 4 more hours clean and surrounded by love, support, and great vibes.

Unity Day did not fall through, due to nobody's fault but my own. I was not going to be able to attend and did not call to coordinate it.

**Upcoming events:**

October 24 th – Karaoke and Crafts Spooky Addition.

November TBD - A walk/hike ending in Yoga (Instructed by Holly H)

December 12 th - Our H&I book drive.

January – Nothing planed

February – Presumably something Lovey – Dovey to be planned.

Questions and/or comments:

Tony: Campsites will be booked this week. This is an activity event. This is coming up next March.

Rebecca: Will be 9 months pregnant during H&I Book Drive.

Report concluded at 3:21pm

- **Common Welfare – Leanne:**

The Common Welfare subcommittee met on 8-31-26 with four people in attendance. We discussed the following items.

1. Policy - It has come to our attention that there is an error in the Common Welfare Policy posted online in the CTANA Policy, March 2025 edition, on page 13. It appears that Items J, K, and L were erroneously included in the Common Welfare Policy. Common Welfare requests the removal of these items and the corrected version posted on CTANA's website.

2. Survey from Region - GSR's will receive an email from Common Welfare with the link to the Gender Neutral Language Survey from NA World Services. The survey has only four questions and increases our awareness of this issue. We hope this encourages members to either complete this survey as an individual or as a group, following group conscious discussion.

Questions and/or comments:**Point 1**

Sean: Have consensus to do housekeeping that is needed for Common Welfare's Policy to remove on page 13, under sub section 6.5: J., K., and L due to it being a duplicate of 5, 6, and 7 from PR's policy.

Toby: Asked policy to email the webmaster to correct the duplication of text.

Point 2

Luke: Needs guidance on predatory behavior. Will communicate with Leanne

Report concluded at 3:37pm

- **H&I – Tomas S:**

H&I subcommittee last met Aug. 30th, 2026. Our subcommittee had 10 out of 13 present for roll call. We had one new orientation via zoom. We are currently carrying the NA message into 9 Facilities of which 2 are TDCJ facilities. All Facility coordinators are doing a great job fulfilling their commitments and obligations.

Facilities gave reports we had consensus to approve the revised new orientation packet. I will send both the new orientation packet and the recently revised Policy to the webmaster after doing some format corrections.

We discussed H&I involvement with activities for this year's holiday book-drive. We need to be more involved. Co-coordinators & volunteers still needed.

Open position's: Recorder (H&I orientated) (1yr clean time req.) (1yr commitment)

If you're already H&I orientated or interested in getting orientated (6 months clean time requirement) come to our next subcommittee meeting to get more information on the service opportunities & requirements for specific positions that are currently open. I want to thank volunteers for their time and shared ESH this month into our facilities. We encourage orientated members to participate regularly with H&I service work. We encourage all NA members with 6 months clean time to get orientated & involved with H&I service.

There are many ways to give back, and I have found great fulfillment in recovery while carrying the Narcotics Anonymous message of HOPE to these facilities. ****PURPOSE**** The purpose of an H&I meeting is to carry the NA message of recovery to addicts who do not have full access to regular Narcotics Anonymous meetings. H&I meetings/presentations, except for those in longer-term facilities, are intended to simply introduce those attending to some of the basics of the NA program.

If you are interested in getting involved in H&I service, you can come to our next subcommittee meeting on 9/27/2026. We meet Every Last Sunday of the month 3:30-4:30pm, H&I orientation starts @ 3pm and can be scheduled beforehand via email hi@ctana.org.

You can come into our physical location:

Recovery First ATX
5555 N. Lamar Blvd. Ste. H-119
Austin, Tx 78751

or join virtually on the Zoom platform:

We look forward to seeing you!!!!

-Absent without report-

Web Servant - Stephanie & Geo:

Reminder to ASC, please submit all:

- Website requests by email to webmaster@ctana.org
- Trusted servant changes, and email address contact info changes to recorder@ctana.org.

Phoneline Report - Tony C. & Geo:

Fellowship Development Report: OPEN

PI Report: OPEN

Newsletter Report - Holly:

Current Status. Area has approved access for the Newsletter Chair to the existing newsletter email/subscriber information. This clears the primary access roadblock and allows the newsletter service to move into the planning and implementation stage.

Next Step. The Newsletter Subcommittee will meet in approximately two weeks to select the exact newsletter platform and determine the budget request to bring back to Area for approval.

Subcommittee Goal

The goal of the meeting is to leave with one recommended platform, one proposed budget, and one agreed signup and ownership workflow.

- Cost as the subscriber list grows
- Subscriber and monthly email-send limits
- Multiple trusted-servant or administrator access
- Embedded website signup forms and hosted landing pages
- Automatic subscriber capture and list management
- Double opt-in and unsubscribe management
- Ability to export the subscriber list when needed

- Newsletter templates, archives, and continuity between trusted servants

Proposed Signup & Distribution System

CTANA.org signup + meeting QR code + direct signup link would all lead to the same Area-owned signup page. Subscriber information would be captured automatically in the approved newsletter platform and used for newsletter distribution.

Members could voluntarily subscribe through an embedded form or button on CTANA.org, a permanent QR code displayed at meetings and Area events, or a direct signup link. The process should be simple, centralized, and transferable.

Area Ownership & Continuity

The newsletter infrastructure should belong to CTANA rather than to the individual serving as Newsletter Chair. Whenever possible, the system should originate from newsletter@ctana.org and use Area-controlled accounts and resources.

- Newsletter platform and subscriber database
- newsletter@ctana.org access
- Signup forms and landing page
- Permanent QR code and printable signup materials
- Newsletter templates and archives
- Written Newsletter SOP and transition checklist

When trusted servants rotate, the incoming Chair should receive the appropriate administrative access and the outgoing Chair's individual access should be removed. The subscriber list, forms, QR code, templates, and archives should remain unchanged.

Platform & Budget Recommendation Process

The subcommittee will compare a small number of suitable email newsletter platforms before making a recommendation to Area. The final budget request should be based on the selected platform's current pricing and the level of service CTANA actually needs, rather than committing to a platform or dollar amount before the subcommittee completes its review.

Purpose of This Service Work

The goal is not simply to get one newsletter sent. The goal is to establish a fluid, Area-owned system that future Newsletter Chairs can inherit and operate without rebuilding the infrastructure each term. With Area authorization now established, the Newsletter Subcommittee can focus on selecting the right tools, documenting the process, and creating a sustainable foundation for this service.

Thank you for allowing me to be of service.

Questions and/or comments:

Timothy- read policy on forums. Thumbs up from Timothy to gain access to any standing CTANA email list.

● **Concerns:**

GSR Robert, Group We Can: His group was concerned with Area having the GSR take back to groups about not having a Regional Convention. His other concern is with people bringing guns to meetings, we want Narcotics Anonymous to be a safe place. What brought up talking about this.

Robert Mitchel: The person who brought up the gun issue was the RD of Region: It is the responsibility of each meeting place to post signs if they do not want guns in the meetings.

Toby: The question was, "Do we want to have a Regional Convention, is it worth the cost and effort to continue."

Group Stand Asides: More will be revealed as the only group that abstained from hosting regional conventions.

GSR Luke from Group Just for Today: Will make an official proposal for the next Area meeting about having Region do an Audit before we as an Area give them any other meeting.
