REVISION HISTORY	77

PREFACE

Tradition 9 – NA as such ought never to be organized, but we may create service boards or committees directly responsible to those they serve.

First Concept – To fulfill our fellowship’s primary purpose, the NA groups have joined together to create a structure which develops, coordinates, and maintains services on behalf of NA as a whole.

-To assure that no addict seeking recovery need die without having found a chance to live a new and better life: from this day forward we may provide the necessary service.

Everything that occurs in the course of NA service must be motivated by the desire to successfully carry the message of recovery to the addict who still suffers. It was for this reason that this policy has been compiled. We must remember that as individual members, groups, and a service committee, we are not, and never should be, in competition with each other. We work separately and together in an effort to help the newcomer and for our common good. We have learned painfully, that internal strife cripples our Fellowship; it prevents us from providing the services necessary as the fellowship grows.

SECTION ONE

Name

The name of the service body shall be the Central Texas Area of Narcotics Anonymous (CTANA). 1108 Lavaca St. #110, Austin, Texas 78701

SECTION TWO

Purpose

The Purpose of CTANA is to plan and provide services and support that facilitate the continuation and growth of Narcotics Anonymous Groups in the CTANA so that our groups may fulfill their primary purpose as expressed in our Fifth Tradition. to carry the message to the addict who still suffers.. In order that no addict seeking recovery in the Central Texas area need die without having a chance to find a new way of life.

SECTION THREE

Vision

The Vision of the CTANA is to provide a vehicle for a diverse group of recovering addicts through their Home Groups to share their experience, strength, and hope with one another. The groups have created the service structure; they have the final authority over all its affairs. The groups also have the final responsibility for the support (financial, spiritual, and in-person) of all its activities.

SECTION FOUR

Service Area

The CTANA was founded to serve central Texas communities:

- North from Austin/Travis County to encompass Williamson County;
- West from Austin/Travis County to encompass Burnet, Llano, and Blanco Counties;
- South from Austin/Travis County to encompass Hays and Caldwell counties; and
- East from Austin/Travis County to encompass Bastrop, Lee, and Fayette counties.

SECTION FIVE

Area Service Committee (ASC) Guiding Authority and Conduct

5.1 The Twelve Traditions of Narcotics Anonymous and the Twelve Concepts for NA Service shall guide and direct the CTANA ASC, where consistent, in all its affairs;

5.2 The rules contained in the current edition of Robert's Rules of Order Newly Revised shall govern the CTANA in all cases to which they are applicable and in which they are not inconsistent with these bylaws, the Twelve Traditions of Narcotics Anonymous and the Twelve Concepts for NA Service and any special rules of order the CTANA may adopt."

Robert's Rules of Order Newly Revised (RONR). The Tenth edition, referred to as Robert's Rules of Order Newly Revised, supersedes all earlier editions as the parliamentary authority in organizations that have adopted Robert's Rules of Order in their bylaws. It is important for all members of an organization to use a single parliamentary guide. Older editions of Robert's Rules have significant differences in their guidelines and page and section references, which can exacerbate disagreements instead of helping to settle them.

5.3 Mutual respect is the expected standard of conduct during the ASC meeting.

5.4 Some important concepts regarding decorum are:

5.4.1 Remarks must be confined to the merits of the pending question;

5.4.2 Another member's motives may not be attacked;

5.4.3 To speak, please raise your hand to be recognized by the Chair;

5.4.4 Refrain from speaking adversely about an idea that is not pending;

5.4.5 Refrain from speaking against your own idea;

5.4.6 If the Chair interrupts, you must yield the floor;

5.4.7 You must not disturb the body; and

- 11.3 All nominees will need to be present at the November ASC to qualify themselves and at the December ASC for selection of trusted servants. Elections for all Administrative Committee positions and all Subcommittee Chair positions shall be held in December.
- 11.4 Trusted Servants shall be elected in the following order: Chair, Vice Chair, Secretary, Treasurer, Regional Committee Member I, Policy Person, Assistant Secretary, Assistant Treasurer, Regional Committee Member II, followed by subcommittees in alphabetical order. The chair is also responsible for correspondence and maintaining area files and archives. The chair is one of the cosigners of the ASC's bank account. The chair's primary tools are a firm hand, a calm spirit, and a clear mind.²

12.1.1. The Chair shall preside at meetings of the ASC. He or she shall exercise general supervision over the work and activities of the CTANA. He or she shall perform such other duties as usually pertain to the office of the Chair. Any positions that are herein

appointed by the Chair shall serve at the pleasure of the Chair and may be removed at any time, with or without cause, at the Chair's sole discretion.

12.1.2. The Chair shall prepare a tentative agenda and make it available on the day of the ASC. All input, ideas and motions given to the Chair in writing twenty (20) days prior to the meeting shall have priority over input, ideas and motions introduced on the floor.

12.1.3. The Chair is responsible for finding a place for the ASC to meet.

12.2 Vice Chair -The area vice chair's primary responsibility is the coordination of the area subcommittees. The area vice chair keeps in regular touch with the chairpersons of each subcommittee to stay informed of their projects and problems, and attends subcommittee meetings whenever possible. If disputes arise within a subcommittee or between subcommittees, the ASC vice chair helps find solutions to them. The vice chair works closely with subcommittee chairs when they prepare their annual reports and budgets. The vice chair is a co-signer on the ASC's bank account.

12.2.1. The CTANA Vice Chair shall act as Assistant to the Chair, and shall perform such duties as directed by the Chair or the ASC.

12.2.2. The CTANA Vice Chair shall supervise and coordinate the activities of the Subcommittee Chair working to ensure active participation from all recognized groups in CTANA activities.

12.2.3. In the event the CTANA Chair is temporarily absent or unable to perform his or her duties, the Vice Chair shall preside and perform the duties of the CTANA Chair.

12.2.4. The CTANA Vice Chair shall conduct and coordinate subcommittee meetings should there not be an elected Chair or Vice-Chair for that subcommittee.

Their first responsibility is to take clear and accurate minutes of the ASC meetings and distribute those minutes to all committee members within a reasonable period of time after each meeting. The Secretary also keeps a log of the various motions presented at Area and files them in the archives. The Secretary is one of the cosigners of the ASC's bank account.³ Since the Secretary emails or mails the minutes to the ASC members, he or she need to keep an updated list of the members' addresses.

12.3.1. The CTANA Secretary shall be the recording and correspondence officer of the CTANA.

12.3.2. The Secretary shall perform such additional duties as are assigned to him or her by the Chair of the ASC.

12.3.3. He or she shall attend all meetings of the ASC and shall act as Secretary thereof.

³ Added Secretary per Bank's policy. November 2017. Should have been updated in January 2017.

12.3.4. The Secretary shall be given a key to the CTANA mailbox and check the mail at a minimum of once every other week.

12.3.5 Each month, the CTANA Secretary shall receive copies of all new documents listed in this appendix, and prepare two sets of documents to be archived. One set will be identical with the original; one will have all email or mailing addresses (other than @ctana.org emails), last names, and telephone numbers redacted. This set will be transferred to the Webmaster, who will place them in a location accessible to all CTANA members. The original versions shall be placed by the secretary in a secure online storage location accessible to the Secretary, Assistant Secretary, Chair, and Vice Chair. The Secretary may combine each month's documents into a single file if appropriate.

12.4 Treasurer -The Area Treasurer's job is critical to the committee's work. Because of the added responsibility of handling money associated with service as Treasurer, it is especially important that the ASC selects their Treasurer with care. If the committee selects someone who is not capable of handling the job, then the committee is at least partly responsible if money is stolen, area expenses are not paid, or funds are not properly accounted for. It is recommended that areas elect people to this position who are financially secure, good at managing their personal finances, inspire the trust of the committee, and have substantial clean time. The treasurer receives contributions from the groups, administers the area's checking account, pays the rent for the committee's meeting space, reimburses officers and subcommittee chairs for their budgeted expenses, keeps careful records of all transactions, and reports on the financial condition of the area committee at each of its meetings. Treasurer will have access to the CTANA mailbox.

12.4.1. The Treasurer shall receive and account for the funds of the CTANA under the supervision and direction of the Area Service Committee.

12.4.2. The Treasurer shall make a written monthly financial report to the ASC.

12.4.3. The Treasurer shall attend all meetings of the ASC and it is recommended that he or she attend any CTANA sanctioned activity in which funds are being collected on behalf of the CTANA.

12.4.4. The Treasurer shall disperse CTANA funds, as directed by the CTANA Chair, and the ASC, in accordance with the budget approved by the Area Service Committee.

12.4.5. The Treasurer shall be responsible for preparing a review of the financial records of the CTANA for each fiscal year that ends during the Treasurer's term of office. The report of the review will be presented by the Treasurer for approval by the ASC at its January meeting.

12.4.6. The review required by Section 12.4.6 shall be an agreed upon procedures engagement to assess the controls over cash and the appropriateness of receipts and disbursements.

12.4.7. The Treasurer is a co-signer on the ASC checking account.

12.4.8. The Treasurer shall be given a key to the CTANA mailbox.

12.4.9. Anytime there is a change in the office of treasurer, an internal audit will be conducted within 30 days by the new Treasurer, the current Chair and RCM, and any past Treasurer, Chair, or RCM.

12.5 Regional Committee Member -Regional Committee Members serve as the core of the Regional Service Committee, a body which coordinates service forums throughout the region, is responsible for the regional convention, and conducts the regional assembly. The RCM attends all meetings of the Tejas Bluebonnet Regional Service Conference (RSC) and also represents the CTANA at those meetings, and keeps the CTANA ASC informed all issues at the Regional and World levels. The RCM also serves all yearlong as a contact point between NA World and local services. RCMs keep their Area in touch with the larger world of NA by providing information on activities in neighboring Areas, functions sponsored by the Regional committee, reports relevant to Subcommittee affairs, and important issues being discussed at various levels of service. Both the Region and its Areas depend on RCMs to be well-versed in NA service practices and principles. RCMs should be closely acquainted with the Twelve Traditions and the Twelve Concepts, the fundamentals of service in our fellowship. Familiarity with all published service manuals and bulletins puts the resources of the whole fellowship at the RCM's fingertips. RCMs should carefully study the reports from their own Area's groups, officers, and Subcommittee chairs so that they can pass their Area's experience on to others at the Regional meeting. RCMs will be more effective contacts between their Areas and the Regional Committee if they take time to talk personally with other participants in their Area Committees, allowing them a better idea of what needs and concerns the Regional Committee should address. RCMs serve two-year terms.

The RCM or the RCM II to attend the second day of the RSC in May and November.⁴

Regional Committee Members (I & II) shall have equal participating and voting responsibilities at the Regional Service Committee meeting.⁵

SECTION SEVENTEEN

Committees (Sub and Ad-Hoc)

17. Committees:

- 1) The Subcommittees, the qualifications to be a Subcommittee Chair, and the method of electing Subcommittee Chairs shall be established later in this document.
- 2) Ad-Hoc Committees (i.e. fact-finding committees) shall be established by a vote of the ASC, and the CTANA Chair shall appoint the Chair of the committee. They shall be disbanded as soon as their final report is submitted to the ASC.
- 3) Any CTANA member may serve on a Subcommittee or Ad-Hoc committee.
- 4) Each Subcommittee shall report to and take instructions from the ASC, and the CTANA Vice Chair shall oversee general activities of these committees.
- 5) Subcommittee Chairs shall serve until the adjournment of the December ASC meeting, or upon their resignation or upon their replacement by the ASC.
- 6) The ASC Chair and Vice Chair shall be non-voting members of all
- 7) Subcommittee and Ad-Hoc committees.
- 8) The following shall be the standing committees of the CTANA: Activities, Hospitals and Institutions, Literature Bank, and Public Relations.

8.1 Activities deal with such Area functions as celebrations and service workshops and with the Area's involvement in Regional and other special events. It puts on dances, picnics, campouts, and special speaker meetings. The committee's goals are to promote fellowship and recovery within the Area while upholding the traditions. Activities like these can provide a greater sense of community for the local NA fellowship and produce additional area income. It should always be kept in mind, however, that these functions are designed to enhance NA's primary purpose, not to replace group contributions in funding area services. Remember it is also important to have just plain fun in recovery.

The committee should plan events which promote unity and fellowship in the NA program. All functions planned by the committee are to be brought back to the ASC for approval. The committee is accountable to the ASC for a written report on each event including all financial transactions (including receipts).

The activities committee is also responsible for putting on 2 special events every year. One is a fundraiser for the purpose of supporting the world level directly. The other is the Holiday Function which is used to purchase books for the Hospital and Institutions Committee.

8.2 Hospitals and Institutions coordinate and conduct panels that carry the NA message to addicts who often have no other way of hearing our message. Treatment panels are conducted for patients at addiction treatment centers, mental health facilities, and

therapeutic communities. Correctional panels are held for inmates at jails, prisons, and forensic hospitals. The H&I Committee is to provide an accounting of their literature distribution and it is to be attached to their report on a monthly basis.

The information will include inventory on hand, itemization of literature, amount of literature items distributed and to which facilities, and an itemization (including amount spent) of literature purchased that month. The Literature Bank, Hospitals and Institutions, and Public Relations

Subcommittees shall include in their monthly report an inventory of all literature on-hand, all literature ordered/purchased, and all literature sold/given away. These reports shall be detailed in that it is broken down both by dollar amount and specific type of literature as well as whom the literature was sold/given away and ordered/purchased. A more in-depth explanation of what H&I does can be found in the H&I Handbook.

- 8.3 Literature Bank maintains a stock of NA books and pamphlets that can be purchased by local groups at the monthly ASC meeting. The Subcommittee is responsible to process group orders, tracking inventory, and reordering depleted items. The Literature Committee is to provide an accounting of their literature distribution and it is to be attached to their report on a monthly basis.

The information will include inventory on hand, itemization of literature, amount of literature items distributed and to whom, and an itemization (including amount spent) of literature purchased that month. The Literature Bank, Hospitals and Institutions, and Public Relations -PI Subcommittees shall include in their monthly report an inventory of all literature on-hand, all literature ordered/purchased, and all literature sold/given away. These reports shall be detailed in that it is broken down both by dollar amount and specific type of literature as well as whom the literature was sold/given away and ordered/purchased.

Handbook for Narcotics Anonymous Literature Committee

8.3.a. All literature purchased by the CTANA should be ordered from the WSO. All shipping fees from literature purchases made by the Literature Committee should be paid by the Administrative Body of the CTANA. The applicable taxes and cost of literature should be paid by the Literature Committee.

- 8.4 Public Relations is the compilation of four Subcommittees known as Workgroups - Outreach, Phonenumber, Public Information and Website. The Public Relations Subcommittee has a Chair and four Coordinators. Each Coordinator is in charge of one of the Workgroups:

8.4.a Outreach serves as the outstretched hand of an established NA community: reaching out to isolated groups and addicts, particularly in large rural areas. By phone, by mail, and in person, they make sure that no group or addict has to go it alone. It helps put isolated groups and addicts in touch with the mainstream of the

NA fellowship. There is also institutional outreach that helps established groups behind the walls link up to the service structure. The committee is to actively seek and encourage the growth of NA within and around the Central Texas Area by assisting groups in solving problems that may impede their growth or threaten their survival. Outreach helps groups overcome many kinds of isolation by encouraging increased knowledge, contact, and exposure to NA as a whole and to the NA service structure. The fundamental approach in Outreach efforts is often described as support services for groups, helping groups to help themselves. For more information on Outreach and the responsibilities of the Workgroup, refer to the Outreach Resource Information Handbook or the Narcotics Anonymous Public Relations Handbook.

- 8.4.b Phoneline maintains a telephone information service for NA that helps addicts and others in the community find us easily and quickly. Phone line Service Volunteers often serve as the first point of contact between the community at large and the NA fellowship. For this reason, it is vital that careful attention be paid to the work of this Workgroup. The Phone line Coordinator should attend all meetings of the RSC and is responsible for ensuring that all Phone line Service Volunteers comply with CTANA Policies by holding a workshop for the Workgroup volunteers at least once a year. Included in the Workgroup's monthly report to the ASC via the Public Relations Subcommittee, should be a log of all calls coming into the Phone line that month and what information was requested with each call. For more details on NA Phone lines, consult the Guide to Phone line Services or Narcotics Anonymous Public Relations Handbook.
- 8.4.c Public Information (PI) deals with Narcotics Anonymous public relations, as stated in the 11th Tradition, and helps attract addicts by providing information about NA to those outside our fellowship. The Workgroup handles matters through the media and supplies the CTANA groups and the Area as a whole with information necessary to initiate and follow-up PI campaigns, as well as to respond appropriately to requests for speakers and information. The Workgroup is responsible to inform addicts and others in the community of the availability of recovery in Narcotics Anonymous. Some of these responsibilities are to conduct public meetings for community members, distribute public service announcements to local radio and television stations, and respond to public media inquiries. This Workgroup also focuses on the NA community's relations with local treatment professionals. Very simply, PI lets our communities know that we exist. PI is also responsible for the printing of the CTANA meeting schedules as well as any changes that need to be made. The Literature Bank, Hospitals and Institutions, and Public Relations Subcommittees shall include in their monthly report an inventory of all literature on-hand, all literature ordered/purchased, and all literature sold/given away. These reports shall be detailed in that it is broken down both by dollar amount and specific type of literature as well as whom the literature was

sold/given away and ordered/purchased. For a better understanding refer to the Narcotics Anonymous Public Relations Handbook.

- 8.4.d Website Workgroup must have a working knowledge of and be able to follow the Narcotics Anonymous Public Relations Handbook, the Public Relations Guidelines and the NA World Service website guidelines. Must have access to a computer with a high speed internet connection. Must have a working knowledge of web site management and all the technologies and programs required to manage the CTANA website. Updates will be posted on the website within seven days of receiving the update. ASC must approve any major changes to the website.
- 8.4.e Only the Workgroup Coordinator, Public Relations Chair, and members of the Website Workgroup approved by the PR Chair, will have passwords to access and/or make changes to the website and other related databases. Any time a person having knowledge of any passwords resigns or is replaced, the passwords will be changed.
- 8.4.f Any Group, Area, or Region will be allowed to have their workshops, functions, or conventions posted on the Events/Calendar page of the website as long as they are NA related. Absolutely no personal announcements or events will be posted on the website.
- 8.4.g Regarding the Workgroup Coordinator experience as a web servant or web master is preferred, however, proficiency in other information technologies may be considered.
- 8.4.h The Workgroup Coordinator shall make all CTANA group meeting changes to the CTANA Meeting Database based on written or emailed information provided by Group Trusted Servants, or for groups no longer meeting, direction by the ASC Chair or his designate. The Workgroup Coordinator or his designate shall be responsible for providing meeting updates via electronic media to NA World Services.
- 8.4.i The Workgroup Coordinator shall establish an online facility, accessible to all CTANA members and groups via the internet, for storage of CTANA documents. Modification of documents stored shall be restricted as specified in 8.4(e),
- 8.4j The Workgroup Coordinator shall establish a secure online facility, accessible to the CTANA Chair, Vice Chair, Secretary, Assistant Secretary, and such other trusted servants as the Chair may direct. This facility shall be used solely for storage of original scanned images of CTANA documents subject to document retention as specified in Appendix "X".

29.14 Before the budget of any newly elected trusted servant of the CTANA ASC may be activated, that person must meet in person with the CTANA Treasurer to discuss bookkeeping procedures. ¹⁴

29.15 It is the responsibility of the CTANA Treasurer to oversee the budget and alert the ASC immediately when there is an overrun or shortfall noted or projected; ¹⁵

SECTION THIRTY

Finances and Accounting

NA members around the world contribute money to help our fellowship fulfill its primary purpose. It is incumbent upon every element of our service structure to use those funds to carry the NA message as far as possible. To do that our service bodies must manage those funds responsibly, accounting fully and accurately for its use to those who provided it.

Narcotics Anonymous funds should always be used to further our primary purpose. NA monies are used to pay the expenses involved in running NA recovery meetings, to inform the public about NA, and to reach addicts who can't get to meetings. It is used to develop, produce, translate, and distribute our message in written form, and to bring our members together in a service community committed to the vision of spreading our message around the world to those

in need. All of this is done in support of NA's spiritual aim: To carry the message to the addict who still suffers.

Service funds are not easy to come by to fulfill our primary purpose; we need all of the financial resources at our fellowship's disposal. Our groups, service boards, and committees must make prudent use of the money we give them, refusing to spend money frivolously or self-indulgently. With NA's primary purpose in mind, our services will avoid wasting money; using the funds they have been given to carry our message as effectively as possible.

Any changes in officers will demand immediate changes on the bank signature card.

30.1 All disbursements shall be made by check or other commonly accepted disbursement practice that provides for accountability.

SECTION THIRTY-ONE

CTANA Statement on Predatory, Inappropriate, Disruptive and Violent Behavior

While the ASC recognizes the autonomy of all home groups, the ASC also recognizes that 'There are many distracting influences that can divert us from our primary purpose' and 'each time our focus is diverted from our primary purpose, the addict seeking recovery loses out'. If there is chaos, aggression, predatory behavior et cetera at an Area function, an ASC meeting, or a home group meeting, it is likely to prevent our carrying a message of recovery.

Individual recovery depends on regular safe meetings and other recovering addicts to provide support.

The ASC through its home groups must fulfill their responsibility of welcoming members without allowing individuals to threaten the safety of those attending an Area function, an ASC meeting, or a home group meeting. It is the responsibility the ASC and its home groups to provide the best forum for recovery from addiction. Getting our egos out of the way and practicing the principle of selfless service maintains the atmosphere of recovery vital to our Area.

Recovery can be a delicate thing; it grows best in a stable and supportive environment. Our common welfare requires personal commitment and responsible action to ensure a meeting is safe for all members.

Each of us as a member of the fellowship plays a part in maintaining stability. Tradition Five stresses the collective responsibility of the members to maintain an atmosphere of recovery. The 'we' comprises all the individuals present at an Area function, an ASC meeting, or a home group meeting; everyone is responsible.

Behavior which causes some people to feel unwelcome, scared, discriminated against, excluded, ashamed or harassed will prevent the Area and its home groups from conducting its business.

Behaviors that occur outside of an ASC such as harassment or behavior that exploits a members' vulnerabilities, can also affect an Area's atmosphere of recovery.

The decision as to whether behavior is inappropriate or not should be made by a group conscience; and no other way. We all have different ideas about what constitutes 'recovery', and this is where a group conscience is crucial to gain a consensus on what constitutes acceptable behavior in an Area function, an

ASC meeting, or a home group meeting. In all situations the group conscience must prevail. In terms of action it is important to tackle inappropriate behavior with love and inclusion.

Many members believe that an abusive, violent or sexually predatory individual within an Area is a 'still suffering addict'; her or his behavior unequivocally demonstrates this, and he or she therefore qualifies for acceptance in NA.

During a group conscience the guiding principles of our fellowship should be borne in mind rather than the personality of the individual(s) under discussion. We do not seek to expel disruptive 'still suffering addicts' from an Area function, an ASC meeting, or a home group meeting, but to demonstrate recovery, offer love and acceptance, and create and maintain firm boundaries to protect the environment and vulnerable members.

It is important when dealing with abusive behavior to refuse to engage at the level of abuse, but to hold the highest thought about the 'abuser' in consciousness throughout any interaction. We are not qualified to make judgments about whether or not someone wants or deserves recovery. Our responsibility is to carry the message and to effect conscience decisions about what is acceptable behavior for an Area function, an ASC meeting, or a home group meeting. A loving god has ultimate authority and a loving god does not condemn.

Sexually Predatory Behavior manifests in many forms; from preying on newcomers, to using the fellowship as a dating agency. It is also difficult to discern since actual sexual activity and the planning of that inevitably takes place outside NA meetings. It remains, however, the responsibility of the Area to do its best to ensure that no-one who comes looking for recovery is distracted or prevented from that by anyone whom they meet in an Area function, an ASC meeting, or a home group meeting. When members of the fellowship know that another member is using the fellowship for abusive sexual behavior, the power of peer pressure might be invoked and the fellowship members might confront the behavior of the offender. Often, the predator will be unable to see her/himself as such, the power of denial being as it is, and he or she may need guidance from those who have a fuller understanding of the nature of addiction.

Vulnerable newcomers are prey to abusive members and cannot be expected to have the knowledge or strength to protect themselves. The Area needs to protect its members from anyone who might interfere with their chance of recovery at an Area function, an ASC meeting, or a home group meeting. The difficulty is to balance consideration for all with the efforts we wish to make not to exclude an addict who is in pain and acting out through abusive behavior. That is why it is so important to place principles before personalities. While our fellowship is anonymous, the fellowship has the same resources as individuals who are terrorized by violence and need not feel that it is against the principles of NA to invoke civil forces to protect individuals or the Area as a whole if a member is prone to violence or threats of violence.

APPENDICES

APPENDIX A - Twelve Steps of Narcotics Anonymous

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a Power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God as we understood Him.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

APPENDIX B - Twelve Traditions of Narcotics Anonymous

1. Our common welfare should come first; personal recovery depends on NA unity.
2. For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or NA as a whole.
5. Each group has but one primary purpose—to carry the message to the addict who still suffers.
6. An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property, or prestige divert us from our primary purpose.
7. Every NA group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever non-professional, but our service centers may employ special workers.
9. NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

APPENDIX C - Twelve Concepts for NA Service

1. To fulfill our fellowship's primary purpose, the NA groups have joined together to create a structure which develops, coordinates, and maintains services on behalf of NA as a whole.
2. The final responsibility and authority for NA services rests with the NA groups.
3. The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
5. For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.
6. Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
7. All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.
8. Our service structure depends on the integrity and effectiveness of our communications.
9. All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes.
10. Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
11. NA funds are to be used to further our primary purpose, and must be managed responsibly.
12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.

APPENDIX F - Robert's Rules of Order FAQs

CAUTION: THE ANSWERS GIVEN HERE TO THE QUESTIONS PRESENTED ARE BASED UPON THE RULES CONTAINED IN ROBERTS RULES OF ORDER NEWLY REVISED. THESE RULES ARE, IN EFFECT, DEFAULT RULES; THAT IS TO SAY, THEY GOVERN ONLY IF THERE ARE NO CONTRARY PROVISIONS IN ANY FEDERAL, STATE OR OTHER LAW APPLICABLE TO THE SOCIETY, OR IN THE SOCIETY'S BYLAWS, OR IN ANY SPECIAL RULES OF ORDER THAT THE SOCIETY MAY HAVE ADOPTED. THIS FACT MUST ALWAYS BE KEPT IN MIND WHEN READING ANY OF THE ANSWERS GIVEN.

Question 1. Is it true that, once a quorum has been established, it continues to exist no matter how many members leave during the course of the meeting?

Answer. No. Once a quorum at a meeting has been established, the continued presence of a quorum is presumed to exist only until the chair or any other member notices that a quorum is no longer present. If the chair notices the absence of a quorum, he or she should declare this fact, at least before taking any vote or stating the question on any new motion. Any member noticing the apparent absence of a quorum can and should make a Point of Order to that effect whenever another person is not speaking. It is dangerous to allow the transaction of substantive business to continue in the absence of a quorum. Although a Point of Order relating to the absence of a quorum is generally not permitted to affect prior action, if there is clear and convincing proof no quorum was present when business was transacted, the presiding officer can rule that business invalid (subject to appeal). [RONR (11th ed.), pp. 348-49; see also pp. 12-13 of RONR In Brief.]

Question 2. In determining the result of a vote, what constitutes a majority? Answer. The word "majority" in this context means, simply, more than half. The use of any other definition, such as 50 percent plus one, is apt to cause problems. Suppose in voting on a motion 17 votes are cast, 9 in favor and 8 opposed. Fifty percent of the votes cast is 8 1/2, so that 50 percent plus one would be 9 1/2. Under such an erroneous definition of a majority, one might say that the motion was not adopted because it did not receive fifty percent plus one of the votes cast, although it was, quite clearly, passed by a majority vote. [RONR (11th ed.), p. 400; see also p. 66 of RONR In Brief.]

Question 3. Can we round to the nearest number in computing the result of a vote? For example, since two thirds of 101 is 67.3333, will 67 affirmative votes out of 101 votes cast meet the requirement of a two-thirds vote? Answer. No. The requirement of a two-thirds vote means at least two thirds. As a consequence, nothing less will do. If 101 votes are cast, 67 affirmative votes are not at least two thirds. It is less than two thirds, and will not suffice. [RONR (11th ed.), p. 401.]

Question 4. Do abstention votes count?

Answer. The phrase "abstention votes" is an oxymoron, an abstention being a refusal to vote. To abstain means to refrain from voting, and, as a consequence, there can be no such thing as an "abstention vote."

In the usual situation, where either a majority vote or a two-thirds vote is required, abstentions have absolutely no effect on the outcome of the vote since what is required is either a majority or two thirds of the votes cast. On the other hand, if the vote required is a majority or two thirds of the members present, or a majority or two thirds of the entire membership, an abstention will have the same effect as a "no" vote. Even in such a case, however, an abstention is not a vote. [RONR (11th ed.), p. 400, ll. 7-12; p. 401, ll. 8-11; p. 403, ll. 13-24; see also p. 66 of RONR In Brief.]

Question 5. How do you deal with a "friendly amendment"?

Answer. On occasion, while a motion is being debated, someone will get up and offer what he or she terms a "friendly amendment" to the motion, the maker of the original motion will "accept" the amendment, and the chair will treat the motion as amended. This is wrong. Once a motion has been stated by the chair, it is no longer the property of the mover, but of the assembly. Any amendment, "friendly" or otherwise, must be adopted by the full body, either by a vote or by unanimous consent.

If it appears to the chair that an amendment (or any other motion) is uncontroversial, it is proper for the chair to ask if there is "any objection" to adopting the amendment. If no objection is made, the chair may declare the amendment adopted. If even one member objects, however, the amendment is subject to debate and vote like any other, regardless of whether its proposer calls it "friendly" and regardless of whether the maker of the original motion endorses its adoption. [RONR (11th ed.), p. 162.]

Question 6. Must debate on a motion stop immediately as soon as any member calls the question?

Answer. It is a fairly common misconception that, after debate has continued for some time, if any member shouts out "Question!" or "I call the question!", debate must immediately cease and the chair must put the pending question to a vote. This is simply not the case. Any member who wishes to force an end to debate must first obtain the floor by being duly recognized to speak by the chair and must then move the Previous Question. Such a motion must be seconded, and then adopted by a two-thirds vote, or by unanimous consent. It is not in order to interrupt a speaker with cries of "Question" or "Call the Question," and even if no one is speaking, it is still necessary to seek recognition. [RONR (11th ed.), p. 202; see also pp. 35-37 of RONR In Brief.]

Question 7. Isn't it always in order to move to table a motion to the next meeting?

Answer. This question confuses the motion to *Lay on the Table* with the motion to *Postpone to a Certain Time*. The purpose of the motion to *Lay on the Table* is to enable an assembly, by majority vote and without debate, to lay a pending question aside temporarily in order to take up something else of immediate urgency. In ordinary societies it is rarely needed, and hence seldom in order. [RONR (11th ed.), pp. 209-18; see also p. 127 of RONR In Brief.]

Question 8. Can something be defeated by adopting a motion to table it? Answer. This is a common violation of fair procedure. Such a motion is not in order, because it would permit

debate to be suppressed by a majority vote, and only a two-thirds vote can do that. The proper use of the motion to Lay on the Table is stated in the answer to Question 12, immediately above. [RONR (11th ed.), pp. 215-17.]

How can something be defeated without a direct vote on it?

Before debate on an original (ordinary substantive) main motion has begun you may raise an *Objection to Consideration of [the] Question*, which is undebatable and can suppress the main question by a two-thirds vote against consideration. [RONR (11th ed.), p. 216, l. 34 to p. 217, l. 2; pp. 267-70; see also p. 129 of RONR In Brief.]

If debate on the main motion has begun and you want to get rid of that motion without a direct vote on it, use the motion to *Postpone Indefinitely*. That motion requires only a majority vote, but until it is adopted, it leaves the main question open to debate. [RONR (11th ed.), pp. 126-30; see also p. 126 of RONR In Brief.]

If you feel that it is undesirable that debate take place, move the *Previous Question* immediately after moving to *Postpone Indefinitely*. If adopted by a two-thirds vote, this motion will cause an immediate vote on the motion to *Postpone Indefinitely* without further debate. [RONR (11th ed.), pp. 197-209.]

Question 9. How can I get an item on the agenda for a meeting?

Answer. For a proposed agenda to become the official agenda for a meeting, it must be adopted by the assembly at the outset of the meeting. At the time that an agenda is presented for adoption, it is in order for any member to move to amend the proposed agenda by adding any item which the member desires to add, or by proposing any other change.

It is wrong to assume, as many do, that the president "sets the agenda." It is common for the president to prepare a proposed agenda, but that becomes binding only if it is adopted by the full assembly, perhaps after amendments as just described. [RONR (11th ed.), p. 372, ll. 24-35; see also p. 16 of RONR In Brief.]

Question 10. Isn't it necessary to summarize matters discussed at a meeting in the minutes of that meeting in order for the minutes to be complete?

Answer. Not only is it not necessary to summarize matters discussed at a meeting in the minutes of that meeting, it is improper to do so. Minutes are a record of what was done at a meeting, not a record of what was said. [RONR (11th ed.), p. 468, ll. 16-18; see also p. 146 of RONR In Brief.]

Question 11. If minutes of a previous meeting are corrected, are the corrections entered in the minutes of the meeting at which the corrections were made?

Answer. If corrections to minutes are made at the time when those minutes are originally submitted for approval, such corrections are made in the text of the minutes being approved. The minutes of the meeting at which the corrections are made should merely indicate that the minutes were approved "as corrected."

If it becomes necessary to correct minutes after they have initially been approved, such correction can be made by means of the motion to *Amend Something Previously Adopted*. In this event, since the motion to *Amend Something Previously Adopted* is a main motion, the exact wording of that motion, whether adopted or rejected, should be entered in the minutes of the meeting at which it was considered. [RONR (11th ed.), p. 469, ll. 4-8; p. 475, ll. 18-24; see also p. 151 of RONR In Brief.]

Question 12: Can votes be taken in an executive session?

Answer: Yes, votes can be taken in executive session. Proceedings in an executive session are secret, but are not restricted in any other way. [RONR (11th ed.), pp. 95-96.]

Question 13: Is it possible to withdraw a resignation after it has been submitted?

Answer: A resignation is a *Request to Be Excused from a Duty*. It may be withdrawn in the same manner as any motion may be withdrawn -that is to say, before the proposed resignation has been placed before the assembly by the chair stating the question on its acceptance, it may be withdrawn without the consent of the assembly, but it may not be withdrawn without permission of the assembly once it has been placed before the assembly for its approval. [RONR (11th ed.), pp. 289-92; 295-97.]

Question 14: Can we hold our board meetings by conference telephone call? Answer: You may hold board meetings by conference telephone call only if your bylaws specifically authorize you to do so. If they do, such meetings must be conducted in such a way that all members participating can hear each other at the same time, and rules should be adopted to specify the equipment required to participate, as well as methods for seeking recognition, obtaining the floor, submitting motions in writing, determining the presence of a quorum, and taking and verifying votes. [RONR (11th ed.), pp. 97-99; see also p. 159 of RONR In Brief.]

It should be noted in this connection that the personal approval of a proposed action obtained from a majority of, or even all, board members separately is not valid board approval, since no meeting was held during which the proposed action could be properly debated. If action is taken by the board on the basis of individual approval, such action must be ratified by the board at its next regular meeting in order to become an official act. [RONR (11th ed.), p. 486, l. 33 to p. 487, l. 12.]

APPENDIX M - Hospitals and Institutions Subcommittee Guidelines

The following outlines policy guidelines for the CTANA Hospital and Institutions Subcommittee, a service of the Central Texas Area of Narcotics Anonymous:

Basic Purpose

The Central Texas Area of Narcotics Anonymous (CTANA) Hospitals and Institutions Subcommittee carries the Narcotics Anonymous message of recovery into hospitals, jails, treatment centers and other similar institutions by making presentations to addicts seeking recovery who have limited or no access to outside meetings. It serves the needs of the Area by conducting activities that promote growth, strength and unity of all H&I efforts as needed within the Area and the fellowship.

The H&I Subcommittee initiates, coordinates and conducts all H&I meetings in the area. However, it may use other methods, such as distributing literature and meeting lists to make recovery more available to addicts in these facilities.

One member of the H&I Subcommittee is required to attend every meeting of the Regional Service Committee.

The Subcommittee maintains an updated listing of all appropriate facilities within the Area and records which ones are served by the subcommittee and the type of services that are being performed.

The subcommittee conducts and/or coordinates outreach projects that carry the message into facilities

The subcommittee conducts workshops to address and/or work on problems the H&I subcommittee members have are experiencing or to discuss new methods of H&I work.

The subcommittee is to follow the Guidelines contained in the WSC H&I Handbook

The subcommittee keeps an updated list of all approvals (of members) for all institutions where we have panels.

The subcommittee is responsible for coordinating responses to letters directed to CTANA from people in hospitals and institutions. To facilitate this, the H&I coordinator shall hold a key to the CTANA mailbox. 2/2013

It is the responsibility of the H&I Subcommittee in order to assure accountability, to give to the ASC a complete record of all transactions This report should always include the amount of literature being distributed, so the Subcommittee's literature request remains prudent and the subcommittee can fairly distribute the literature without exceeding its budget.

No Panel Member shall involve themselves with any other activity that violates institutional rules or tends to injure or interfere with inmates or patients on the inside.

Excessive use of vile, profane, filthy stories or language is strictly prohibited by authorities of all institutions serviced by this subcommittee. All speakers and panel members must strictly comply with this regulation.

Nothing will be given to or taken from an inmate or a patient, including messages or phone numbers.

Panel leaders shall be responsible for the conduct of any speakers taken into any institution and shall instruct said speakers in advance regarding the regulations of the institutions being served.

N.A. case histories, life stories and/or N.A. principles are to be the main topics of N.A. Panels conducted within all institutions served by this Subcommittee.

All speakers and panel members must strictly comply with this requirement confining their talks solely to the N.A. message of recovery.

The suggested attire for N.A. subcommittees' panel participation is neat and modest in compliance with institutional rules.

H&I Annual Learning Day

The subcommittee will conduct an H&I Learning Day at least once per calendar year.

Literature Distribution

Literature that this committee disburses is as follows: Current Meeting Lists, NA Basic Text, White Books, IP's No. 6 (Recovery and Relapse), 7 (Am I an Addict), 8 (Just For Today), 9 (Living the Program), 11 (Sponsorship), 12 (The Triangle of Self Obsession), 13 (for Adolescent facilities), 16 (For the Newcomer) 17 (For Those in Treatment), 19 (Self Acceptance), 21 (The Loner), 22 (Welcome to NA), 23 (Staying Clean on the Outside), 26 (Accessibility for those with Additional needs), In Times of Illness, Behind the Walls, and Introductory Guide. Also optional are, Basic Text (soft) and It Works How and Why (soft). (All literature must be stamped prior to distribution). Additional literature must be approved by a majority vote of the CTANA ASC.

Do's and Don't For H&I Work in Correction Facilities

The World Service Conference H&I committee has compiled this list based upon the experiences of committees around the world that have sent input on H&I service matters. They provide some very helpful guidelines, and should help you avoid some of the common pitfalls.

Do: Make directories of outside meetings available to residents.

- Do: Clarify the facility's rules with anyone you bring in.
- Do: Try to get residents involved especially those in long term facilities (i.e. literature, coffee, readings, etc.)
- Do: Obey all dress codes. Exercise common sense and respect for the facility in what you wear.
- Do: Keep the staff aware of your whereabouts at all times.
- Do: Follow all security regulations at all times.
- Do: Stamp all literature you bring into a facility with the local hotline number and regional/area address.
- Do: Screen all speakers and chair persons carefully, especially regarding the clean time requirements of the facility and the H&I Subcommittee.
- Do: Contact the facility contact person and let he or she know that he or she can purchase literature from the RSO and WSO. (Most jails and facilities have funds available for this).
- Do: Inform the contact person that we have literature order forms available for their use.
- Do: Make sure all speakers carry a clear NA message of recovery.
- Do: Follow the guidelines in the WSC H&I Handbook.
- Don't: Break another person's anonymity or tell his or her story.
- Don't: Get involved in discussion about an inmate's guilt or innocence.
- Don't: Debate which drugs are acceptable. NA is a program of complete abstinence from all drugs.
- Don't: Discuss conditions within the facilities or opinions of staff members.
- Don't: Give or accept gifts.
- Don't: Carry excessive amounts of cash or expensive or flashy jewelry.
- Don't: Show favoritism to any inmate(s).
- Don't: Carry letters in or out of the facility
- Don't: Carry in any contraband items.
- Don't: Give out another person's address and/or phone number.
- Don't: Give the residents money.
- Don't: Take a person into a facility meeting who is on parole or probation unless he or she specifically obtains permission from the parole/probation officer and the facility.
- Don't: Take a person with outstanding warrants.

Don't: Give anyone your personal address and/or phone number.

Don't: Take a member who has friends or family in the facility

Do: Keep staff aware of our whereabouts at all times.

Do: Stamp all literature you bring into a facility with the local Help line number.

Do: Screen all panel members carefully, especially regarding the clean time or other requirements.

Do: Explain the language that we use (addict, clean, recovery.) and why we use it (the First Step of NA).

Do: Emphasize that in NA, recovery is available to any addict, regardless of type or drug(s) used.

Do: Emphasize the importance of getting to an NA meeting the first day out.

Do: Emphasize the importance of getting a sponsor and a home group, and the ongoing nature of recovery, the importance of attending meetings (suggest ninety meetings in ninety days), and the fact that the treatment center has not cured them (First Step).

Do: Use the literature recommended for H&I work. If we are supplying the literature, encourage the treatment centers to supply NA literature on their own, if at all possible.

Do: Be selective about whom you choose to take into H & I meetings. Clean time requirements are very important. People who sit on NA panels should be able to share a message of recovery in Narcotics Anonymous.

Do: Clarify the facilities' rules with anyone you bring in.

Do: Start and end on time!

Do: Briefly explain the purpose of H & I.

Do: Make it clear that NA is separate and distinct from the facility as well as other fellowships.

Do: Try to get residents involved, especially those in long-term facilities (literature person, readings, coffee, etc).

Do: Make directories of outside meetings available to residents.

Don't: Show favoritism to any resident(s).

Don't: Take messages in or out of the facility.

Don't: Give out any other person's address and/or phone number.

Don't: Carry in any contraband items, such as cigarettes (if applicable) or weapons.

Don't: Rely on flooding a Treatment Center with literature to carry our message. The most powerful tool for carrying our message is the NA member.

Don't: Read too many literature selections at the beginning of the meeting. Keep it short and simple to keep their attention.

Don't: Debate the merits of the Treatment Centers' program or other fellowships. Remember, we have one opinion. The best approach is to focus on the positive and unique qualities of our program. Keep your Basic Text handy, and read from it. It carries a lot of weight.

Don't: Comment on the methods used by the treatment facility. Not all facilities are Twelve Step based nor do its understandings of the Steps necessarily coincide with the understanding gained in Narcotics Anonymous.

We share our experience without reference to the facilities' methods or to residents' comments.

Don't: While Sharing put too much focus on what it was like. They already know.

Don't: Debate which drugs are acceptable. NA is a program of complete abstinence from all drugs.

Don't: Let the meeting run too long. Most Treatment Center residents spend much of their day in meetings of one sort or another, often in the same room.

Don't: Pass the basket.

Don't: Debate any issues involving the facilities' rule or regulations.

Don't: Discuss conditions within facility, or opinions about staff members.

Don't: Break another person's anonymity or tell his or her story.

APPENDIX R – GSR Helpful Hints

The Central Texas Area Service Committee (ASC) meeting is held the 1st Sunday of every month at 1:30 PM. (See current meeting guide for location.) Before the ASC meeting begins...

New GSR Orientation

The New Group Service Representative (GSR) Orientation is held at 1:00 PM prior to the ASC meeting in the same location. Arrive prior to 1:00 PM and find the person who conducts the New GSR Orientation. An announcement is usually made.

Literature Order

Upon arrival of the ASC meeting, place the group's literature order (you pay when you order). Literature cannot be picked up prior to the completion of the ASC meeting.

ASC Donation

Next, give the treasurer the group's ASC donation. You will be given a receipt. Give the receipt to your group's treasurer for their records. Written Reports

Written reports and announcements are located on the table in the back of the ASC meeting room. Pick up one report from each ASC member giving a verbal report. Many of the subcommittee chairs arrive after the ASC meeting has started, and pass out their reports during the meeting.

Announcements

Announcements are also located on the back table. Pick up announcements and other area meeting guides. Use your judgment on the number of announcements to pick up. Many times there is only enough for one announcement for each group. Occasionally, there is mail for each group (The NA Way Magazine, etc.). Be sure to pick this up as well.

** Agenda is useful to mark off what reports you have or need to collect.

During the ASC Meeting...

The ASC meeting follows an agenda. Secretary always brings extra copies left up at the back table. The majority of the ASC meeting consists of verbal and written reports from the various ASC administration, subcommittee, and working group members. Hi-light or make notes during each report as to what you think your group will find important. Also, make a note of what positions are open and add them to your announcements to read. Take notes on what is said during open forum to add to your GSR report. Take notes on all motions under new and old business. Pay close attention to any motions that are sent backs to the groups to vote on. At the next ASC, you will need to vote the conscious of your group.

After the ASC Meeting

Literature Order

When you pick the literature after the ASC meeting, the literature committee will give you a receipt. Prior to leaving the ASC check the literature received against the literature order form. If we received literature that we did not pay for or we were charged for literature that we did not receive, go back to the counter and inform them of the discrepancy. (Meeting guides and literature order forms are free.) Give the group's treasurer the literature receipt with a note to either confirm that the order was filled correctly or that it wasn't and you had taken the steps to get it corrected.

Back at the Group...

At the next group meeting, bring the group's literature and stock it accordingly. Give the group's treasurer the literature receipt and the donation receipt. Update the meeting lists.

Replace last month's with the new ones you received at the ASC. Update your announcements. Get rid of the outdated ones and add the new ones to your GSR report.

At Each Meeting... (This may vary from group to group some announcements are done through the secretary only) When the chairperson ask for any NA announcements, stand up and announce the upcoming events and open positions.

At the Group Conscience... (Some meeting do not have a Group Conscience and give GSR report during the meeting, keep notes brief to avoid taking up too much meeting time, have all reports available for any member to read). Be prepared to give your report on the ASC meeting. Your report should consist of highlights from each report presented at the previous ASC meeting, topics under open forum, any motions voted on at the ASC, any new motions to be voted on by the group, and anything else that you think is noteworthy.

Make sure that any motions to be voted on by the group are brought up under new business at the group's business meeting or during regular meeting for those that have no business meeting. When these motions are brought up at the next ASC, vote the group's conscious.

Approximately Two Meetings Before the next ASC... (This may vary from group to group) The amount of literature has to be inventoried. Using a blank literature order form, count the number of pamphlets, books, and medallions that is currently in stock. Give this to the treasurer.

Approximately One Meeting Before the next ASC... (This may vary from group to group) The treasurer will provide you with a completed literature order form and cash to purchase literature at the next ASC. The treasurer will also supply you with the group's donation to the ASC.
