H&I READINGS

- **SERVICE PRAYER:** “God, grant us knowledge that we may act according to your divine precepts. Instill in us a sense of your purpose. H&I Facilitator reads:

- **PURPOSE OF THE CTA H&I SUBCOMMITTEE:** The Central Texas Area of Narcotics Anonymous Hospitals and Institutions Subcommittee, or CTANA H&I Subcommittee, plays a central role in the overall H&I service effort for our area. It initiates, conducts, and coordinates all local CTANA H&I meetings and activities within our area. This subcommittee is the hub of H&I planning and organization.
- **PURPOSE OF AN H&I MEETING:** The purpose of an H&I meeting/presentation is to carry the message to addicts who do not have full access to regular Narcotics Anonymous meetings. H&I meetings/presentations are intended to simply introduce those attending to recovery through the program of Narcotics Anonymous. Those in longer-term facilities may require a more in depth exposure to the recovery process.

On Service

- Everything that occurs in the course of NA service must be motivated, by the desire to more successfully carry a clear message of recovery to the addict who still suffers. It was for this reason that these guidelines have been compiled.
- We must always remember that as individual members, groups, and service committees, we are not and never should be in competition with each other.
- We work together in an effort to help the newcomer find recovery in NA, and to ensure Narcotics Anonymous itself survives.
- We have learned, painfully, that internal strife cripples our fellowship and prevents us from providing the service necessary to grow as a fellowship.

Attendance requirements for Administrative body and Coordinators:

1. Any member of the H&I Subcommittee is automatically disqualified from further H&I involvement upon relapse. They may again become eligible to serve when he or she again meets the qualifications of these guidelines.
2. Being clean, for the purposes of this H&I Subcommittee, shall be defined as, "complete abstinence from **all drugs**".
3. Any member that is not conforming to these guidelines or who refuses to abide by the rules and regulations of the facility being served, shall automatically be relieved of any H&I Subcommittee Service.
4. Length of clean time required by each facility is to be rigidly upheld by all H&I Panel members.
5. Excessive use of profanity or the use of vulgar stories in your sharing is strictly prohibited by the authorities of all facilities, and is strongly discouraged by the H&I subcommittee.
6. Provide each H&I member a copy of the written rules and regulations that apply to the facility they serve.
7. Panel Leaders and panel members of H&I should not attempt to discuss any problems encountered in a meeting/presentation with the personnel of the facility they are carrying the message to. This is the responsibility of the Panel Coordinator and all concerns or problems should be deferred to them.
8. All new NA members interested in H&I service, will be required to attend an H&I Orientation before they can attend an H&I meeting/presentation.

- 11. It is suggested that no qualified H&I member ever conduct a meeting/presentation alone if at all possible. However if no other qualified H&I member is available we must still fulfill the commitment.
- 12. Remember.....your actions reflect not only on you, but on NA as a whole. More importantly, adverse performance could well deprive an addict of the help they are seeking from you and other H&I members.
